Wrong

A friend asks what's wrong with me

I tell them nothing

What else can I do?

But inside, everything's wrong

Of course

How can anything be right?

Turning into animals?

Fibbing to parents?

Wrong

Fighting aliens?

Risking the lives of your friends?

Wrong

But is anything really right?

Was it ever right?

Or was it always wrong?

Wrong like it is now?

Did I ever have a time

To just feel safe?

Maybe

But now, my life is completely wrong

Can I ever change it?

Maybe

But now,

Now, it's wrong

End
file.
